Playwrights and Literary Games in Seventeenth-Century China

Jing Shen 2010-08-04 Playwrights and Literary Games in Seventeenth-Century China: Plays by Tang Xianzu, Mei Dingzuo, Wu Bing, Li Yu, and Kong Shangren is a full-length study of chuanqi (romance) drama, a sophisticated form with substantial literary and meta-theatrical value that reigned in Chinese theater from the sixteenth to eighteenth centuries and nourished later theatrical traditions including jingju (Beijing Opera). Highly educated dramatists used chuanqi to present in artistic form personal, social, and political concerns of their time. There were six outstanding examples of these trends, considered masterpieces in their time and ever since. This study presents them in their social and cultural context during the long seventeenth century (1580D1700), the period of great experimentation and political transition. The romantic spirit and independent thinking of the late Ming elite stimulated the efflorescence of the chuanqi, and that legacy was inherited and investigated during the second half of the seventeenth-century in early Qing. Jing Shen examines the texts to demonstrate that the playwrights appropriate, convert, or misinterpret other genres or literary works of enduring influence into their plays to convey subtle and subversive expressions in the fine margins between tradition and innovation, history and theatrical re-presentation. By exploring the components of romance in texts from

late Ming to early Qing, Shen reveals creative readings of earlier themes, stories, plays and the changing idea of romanticism for chuanqi drama. This study also shows the engagement of literati playwrights in closed literary circles in which chuanqi plays became a tool by which literati playwrights negotiated their agency and social stature. The five playwrights whose works are analyzed in this book had different experiences pursuing government service as scholar-officials; some failed to achieve high office. But their common concerns and self-conscious literary choices reveal important insights into the culture of the seventeenth century, and into the sociopolitical implications of the chuanqi genre. In addition to classical Chinese commentaries on chuanqi drama, this book uses modern critical theories and terminology on Western drama to enhance the analysis of chuanqi plays.

Gentlemen's Prescriptions for Women's Lives: A Thousand Years of Biographies of Chinese Women Sherry J. Mou 2015-07-17 As far back as the first century BCE, Chinese dynastic historians - all men - began recording the achievements of Chinese women and creating a structure of understanding that would be used to limit and control them. To men, these women became role models for their daughters and wives; to the few literate women readers, they became paradigms for their own behavior. Thus, although these biographies are descriptive by nature, they actually became prescriptive. Gentlemen's Prescriptions for Women's

Lives is an enlightening source for studying Chinese women of the Imperial era as well as for understanding Chinese womanhood in general. By contextualizing these biographies, the author shows us these women not just as the complaisant, calm-eyed, delicate figures that adorn Confucian texts, but also as the products of the Confucian tradition's appropriation of women.

Feminizing Men Barbara Deloto 2015-01-16 Spice up the marriage? Crossdressing? Feminization? A loving couple's sex life begins to dwindle and the woman introduces lingerie for her man to wear, sparking their sex life once more. She thinks if a little is good and makes him happy then a lot is better, and the hot wife buys the book, "Feminizing Men - A Guide for Males to Achieve Maximum Feminization," by Barbara Deloto and Thomas Newgen. Enter a new world. The feminized husband feminizes himself for his wife as a favor to her for a week long stay-cation and they follow the guide and develop his feminine aspects. Quickly, even though he still is sure he will become a man again after the stay-cation, he looks at life very differently. In less than a week, the feminization turns their lives into something most would never reach. Cuckolding, sex toys, a transvestite-crossdressing husband, an incredible sex life for the wife and a sissy catering to everyone's needs. The hot wife's life is enhanced by

the efforts of her feminized husband in ways she could only fantasize about previously. Her ex-male, now in a male chastity cage, finds ways to satisfy the woman he loves and gives his hot wife gifts she never would have imagined. What would happen if a loving couple decided to feminize the male? Would the feminized man no longer be a man? After a few short days crossdressing as a woman, and being feminized, would he be able to turn back time and become a man again, or would he become addicted to the alluring aspects of being feminized, giving him new sensations, intriguing challenges, and womanly desires to which he was previously unaware along with a new point of view on his hot wife's situation. Experience this erotic tale as you become enveloped in the story of what happened to this feminized male and his hot wife. Does she end up cuckolding the feminized male? Do they stay married and have a better life, or do they part ways? What gifts can a feminized man possibly give to a woman? Can he resist the lure of feminization, return to his old male self and try to be a real man, or is he forever destined to crossdressing as a woman and increasing his feminization until he becomes a shemale? Does he end up as a sissy and not a real man, or is he able to return to masculinity after his hot wife has introduced him to feminization and he's been immersed in the experience. A quick read to immerse you with 18,000 words and 68 pages of feminized male, hot wife, cuckold, crossdressing, sissy fiction. Start now on this highly erotic triple xxx rated, adult, crossdressing, tranny, cuckold, feminization fantasy.

The Ultimate Guide To Tease & Denial Georgia Ivey Green 2017-12-01 The Ultimate Guide To Tease & Denial is more than just about what to do when you want to tease your guy sexually. It's about taking control of your sex-life and getting what you want from it. There is a step-by-step guide that will walk you through your first month of teasing so that you can get used to doing those things you need to do to make things better. A must read for chastity enthusiasts. Tease and denial has never been so simple. Whether you want to utilize chastity in your relationship or not, makes no difference in a modern, healthy relationship. Reading this book will give you insights into your partner's motivations like nothing before. You can take control of what you want and leave the rest to him. "The Ultimate Guide to Tease & Denial is a refreshing outlook on the sexual aspect of female domination that many women find cumbersome. I remember the days when I thought being a tease was a bad thing but Mistress Ivey has completely changed my perspective with her book. She empowers women by teaching not only how to use our inherent sexual charm to mold men's behavior but why it is important to release that inner naughty girl that many of us were taught to hide. This book has opened so many new channels of thought for me as it clearly points out how vital it is to express my love for my partner by using my feminine charms to seduce him every day and in many exciting ways while keeping him hung up and thirsty for more." Women, Epic, and Transition in British Romanticism Elisa Beshero-Bondar 2011-05-31 Women, Epic, and Transition in British Romanticism argues that early nineteenth-century women poets contributed some of the most daring work in modernizing the epic genre. The book examines several long poems to provide perspective on women poets working with and against men in related efforts, contributing together to a Romantic movement of large-scale genre revision. Women poets challenged longstanding categorical approaches to gender and nation in the epic

tradition, and they raised politically charged questions about women's importance in moments of historical crisis. While Romantic epics did not all engage in radical questioning or undermining of authority, this study calls attention to some of the more provocative poems in their approach to gender, culture, and history. This study prioritizes long poems written by and about women during the Romantic era, and does so in context with influential epics by male contemporaries. The book takes its cue from a dramatic increase in the publication of epics in the early nineteenth-century. At their most innovative, Romantic epics provoked questions about the construction of ideological meaning and historical memory, and they centralized women's experiences in entirely new ways to reflect on defeat, loss, and inevitable transition. For the first time the epic became an attractive genre for ambitious women poets. The book offers a timely response to recent groundbreaking scholarship on nineteenth-century epic by Herbert Tucker and Simon Dentith, and should be of interest to Romanticists and scholars of 18th- and 19th-century literature and history, gender and genre, and women's studies. Jainism: A Guide for the Perplexed Sherry Fohr 2015-01-29 Jainism is arguably the most non-violent and austere religion in the world. While lay Jains attempt to never harm humans or animals, the strict non-violence followed by the highly revered monks and nuns also proscribes harm to any living being, even a microscopic organism. And while laywomen (and a few laymen) undergo long and difficult fasts, the longest being for one month, renouncers' austerities also include pulling their hair out by the roots two to five times a year, walking bare-foot throughout India most of the year, and, in the case of some monks, not wearing any clothing at all. Jainism: A Guide for the Perplexed is a clear and thorough account of this fascinating tradition, explaining many basic Jain values, beliefs and practices in the same way they are taught to Jains themselves, through the medium of sacred narratives. Drawing from Jainism's copious and influential narrative tradition, the author explores the inner-logic of how renouncers' and laypeople's values and practices depend on an intricate Jain worldview.

[The Tao of Relationship Maintenance for Mind Controllers: A Hypnotic Guide to Long-Term Care & Deliberate Change Management](#) Joseph Crown
[Feminizing Men - a Guide for Males to Achieve Maximum Feminization](#)

Barbara Deloto 2014-10-29 Do you want to feminize a male, or you as a male want, or have been told to, become feminized? Feminization: 1) To give a feminine appearance or character to. 2) To cause (a male) to assume feminine characteristics. This is not for those who wish to permanently change their gender, but rather for those who wish to feminize temporarily, though sometimes repeatedly and regularly, in order to proficiently crossdress as a woman. This feminization guide is for a male by gender who, may, or may not be, a "real" man by some opinions, but nonetheless a male, who has chosen, or has been told to, or is being coerced into, becoming feminine in appearance and character. This guide is to be given to those who have been tasked with becoming a feminized male as part of a process to feminize them, or purchased for use by males who wish to feminize themselves. It doesn't have any magic potions or formulas, special makeup or fancy tools, use any drugs or

surgery. It does cover all the aspects of eliminating the 'man markers' that set males aside from women, and make a male less feminine than they could ultimately be. It will demasculinize anything that may have had a masculine overtone with the male. It will also aid the feminized male to feel more sensual and sexy in a feminine role. The guide is short - about 15,000 words and around sixty pages, but covers eliminating the things that keep a male from becoming as fully feminized as much as their male body and characteristics allow. After the male has read this, acted upon this information fully, and practiced, he will be the best feminized male he can be. He will reach crossdressing perfection as a male to female (MTF) cross dresser. He will have the routines of maintenance and upkeep of the feminized male body, which will keep him ready, and most likely anxious, to fairly quickly, crossdress at the request of their wife, mistress, or whim of his own. Whether the reason be from femdom, a wife led relationship, female led relationship, cuckolding, cuckoldry, a hot wife, male chastity, forced crossdressing, forced chastity, female domination, submissive training, sissy training, or purely their own desire to become feminine, a diligent male student who incorporates the information in this guide with passion and drive will become the perfect crossdressing male, as fully feminized as possible. Upon following the elements in this guide, the feminized male will be able to proudly display how feminine he has become to anyone he, or the one who coerced him, choose to. Should this be a singular undertaking, the individual will be able to see and feel the difference in the degree of feminization they have achieved after practicing and perfecting the elements, and thus, bring greater pleasure and satisfaction to the resulting feminization. This will be time consuming and will require dedication and diligence in order for a male to feminize to his best. If you are purchasing this for yourself, or someone else, beware of that in order to allow the necessary time and resources. Look inside now. Buy yourself a copy, or give one to a male you want to feminize. It is a small, but valuable investment in a male's journey toward maximum feminization.

The Gendering of Men, 1600-1750 Thomas Alan King 2004 "The queer man's mode of embodiment--his gestural and vocal style, his posture and

gait, his occupation of space--remembers a political history. To gesture with the elbow held close to the body, to affect a courtly lisp, or to set an arm akimbo with the hand turned back on the hip is to cite a history in which the sovereign body became the effeminate and sodomitical and, finally, the homosexual body. In *Queer Articulations*, Thomas A. King argues that the Anglo-American queer body publicizes a history of resistance to the gendered terms whereby liberal subjectivities were secured in early modern England. Arguing that queer agency preceded and enabled the formulation of queer subjectivities, *Queer Articulations* investigates theatricality and sodomy as performance practices foreclosed in the formation of gendered privacy and consequently available for resistant uses by male-bodied persons who have been positioned, or who have located themselves, outside the universalized public sphere of citizen-subjects. By defining queerness as the lack or failure of private pleasures, rather than an alternative pleasure or substance in its own right, eighteenth-century discourses reconfigured publicness as the mark of difference from the naturalized, private bodies of liberal subjects. Inviting a performance-centered, interdisciplinary approach to queer/male identities, King develops a model of queerness as processual activity, situated in time and place but irreducible to the individual subject's identifications, desires, and motivations."--Pub. desc. (v.2).

The Ultimate Woman's Guide to Male Chastity Mistress Dede 2015-11-23

If you are reading this book, you are most probably a woman interested in broaching the matter of male chastity. You see, this book is all about male chastity, in other words - self control. The question is, how exactly, can this male chastity thing help you and your partner's sex life? You are probably confused and you don't have to worry, for you are not alone in this. This book will help you understand the idea of male chastity and learn about the sexual fantasies that might seem dirty and unappealing to you now, but could possibly save your sex life. You will learn what the male chastity subject is all about; the erotic fantasy of submitting to wearing a chastity device and the value of your man in a sexual prison in your relationship. At first, the idea of locking your partner's male organ in a device seem strange to you. But overtime, you will find that your

partner sees this thing in an altogether new perspective, something that is attractive and quite exciting for him. To some, forceful prevention of erection and orgasm may definitely seem odd, but there are men who find it very arousing. Getting started is sometimes difficult and the Internet provides you with lots of information that is mostly filled with fantasy over fact. This is because most of those writings are written by men as an outlet to let out their kinky fantasies. It is nothing more than erotic web fantasies that are much too complicated and bizarre for many women's tastes. You are likely to get turned off by these, thinking that the whole male chastity thing is not for you. However, in this book we assure you that the subject of male chastity is explained and directed to helping you understand the entire concept in full light. It is all about using the male chastity game to rekindle the fire in your sex life for enjoying a much better relationship with your partner.

Seduced, Abandoned, and Reborn Rodney Hessinger 2005-06-16

Seduced, Abandoned, and Reborn exposes the fears expressed by elders about young people in the early American republic. Those authors, educators, and moral reformers who aspired to guide youth into respectable stations perceived new dangers in the decades following independence. Battling a range of seducers in the burgeoning marketplace of early America, from corrupt peers to licentious prostitutes, from pornographic authors to firebrand preachers, these self-proclaimed moral guardians crafted advice and institutions for youth, hoping to guide them safely away from harm and toward success. By penning didactic novels and advice books while building reform institutions and colleges, they sought to lead youth into dutiful behavior. But, thrust into the market themselves, these moral guides were forced to compromise their messages to find a popular audience. Nonetheless, their calls for order did have lasting impact. In urban centers in the Northeast, middle-class Americans became increasingly committed to their notions of chastity, piety, and hard work. Focusing on popular publications and large urban centers, Hessinger draws a portrait of deeply troubled reformers, men and women, who worried incessantly about the vulnerability of youth to the perils of prostitution, promiscuity, misbehavior, and revolt. Benefiting

from new insights in cultural history, *Seduced, Abandoned, and Reborn* looks at the way the categories of gender, age, and class took rhetorical shape in the early republic. In trying to steer young adults away from danger, these advisors created values that came to define the emerging middle class of urban America.

[The Englishwoman's Review of Social and Industrial Questions](#) Janet Horowitz Murray 2016-12-19 The Englishwoman's Review, which published from 1866 to 1910, participated in and recorded a great change in the range of possibilities open to women. The ideal of the magazine was the idea of the emerging emancipated middle-class woman: economic independence from men, choice of occupation, participation in the male enterprises of commerce and government, access to higher education, admittance to the male professions, particularly medicine, and, of course, the power of suffrage equal to that of men. First published in 1979, this twentieth volume contains issues from 1887. With an informative introduction by Janet Horowitz Murray and Myra Stark, and an index compiled by Anna Clark, this set is an invaluable resource to those studying nineteenth and early twentieth-century feminism and the women's movement in Britain.

Song of Songs: An Introduction and Study Guide J. Cheryl Exum 2022-07-14 The Song of Songs, also known as the Song of Solomon, is an unusual book to find in the Bible. As the Bible's only love poem, the Song offers a unique picture of relations between the sexes in biblical times. Unlike other biblical books, it consists entirely of dialogue. It looks at love from both a woman's and a man's point of view, and shows the reader what love is like exclusively through what lovers say about it. There are few issues in Song of Songs interpretation that are not open to debate, which makes it a fascinating book to study. In this Guide, Cheryl Exum provides a concise survey of the principal questions encountered in Song of Songs scholarship. She also takes the discussion beyond the traditional research questions to introduce readers to new and ongoing areas in Song of Songs research. Bibliographies and suggestions for further reading at the end of each chapter provide additional resources for readers interested in pursuing specific topics and exploring new directions in the

study of the Song of Songs.

Male Chastity Keyholder Guide Mistress Dede 2015-01-08 There is a lot of variety in the world of fetish and kink, with limitless possibilities for creativity in sensual play. Many people unfamiliar with this lifestyle immediately focus on the more obvious or superficial aspects, like honorific nicknames or corsets and leather boots. But for people who participate in fetishes as a lifestyle, the practices and games are an essential part of their relationship, with its own set of rules and standards. One particularly interesting subculture within the world of kink is that of the female keyholder and her chastised male subordinate. The phrase "male chastity" probably immediately spooks some men, or excites others (whether they are willing to admit it or not). Either attitude is amusing to the sophisticated woman with a predilection for domination and control. For submissive men, there are many benefits to a male chastity arrangement. The calculating domme will use all of her feminine charms

to her advantage, establishing a system of rules meant to keep her man under lock and key. Literally. The popularity of male chastity devices has soared in recent years, and although this be taboo, it's something many people talk about behind closed doors. Conveniently hidden under clothes, male chastity devices provide necessary restriction for the man and allowing his dominant complete control over his orgasms. These devices are a valuable tool for the modern dominant woman, and excellent for contemporary "tease and denial" games. Exploring male chastity can be a fun new game for adventurous couples, or a complete long-term lifestyle for kinky pairs. Whatever the relationship type, employing a male chastity device sends a clear message: he's on lockdown, and she holds the key.

Men and Women Making Friends in Early Modern France Lewis C. Seifert 2016-03-03 Today the friendships that grab people's imaginations are those that reach across inequalities of class and race. The friendships that seem to have exerted an analogous level of fascination in early modern France were those that defied the assumption, inherited from Aristotle and patristic sources, that friendships between men and women were impossible. Together, the essays in *Men and Women Making Friends in Early Modern France* tell the story of the declining intelligibility of classical models of (male) friendship and of the rising prominence of women as potential friends. The revival of Plato's friendship texts in the sixteenth century challenged Aristotle's rigid ideal of perfect friendship between men. In the seventeenth century, a new imperative of heterosociality opened a space for the cultivation of cross-gender friendships, while the spiritual friendships of the Catholic Reformation modeled relationships that transcended the gendered dynamics of galanterie. *Men and Women Making Friends in Early Modern France* argues that the imaginative experimentation in friendships between men and women was a distinctive feature of early modern French culture. The ten essays in this volume address friend-making as a process that is creative of self and responsive to changing social and political circumstances. Contributors reveal how men and women fashioned gendered selves, and also circumvented gender norms through concrete

friendship practices. By showing that the benefits and the risks of friendship are magnified when gender roles and relations are unsettled, the essays in this volume highlight the relevance of early modern friend-making to friendship in the contemporary world.

Stuff Theory Maurizia Boscagli 2014-03-27 A groundbreaking theory of materialism which reconsiders the role of stuff, the small objects that clutter our lives, as they crowd the pages of modern literature.

Remember; keep it safe, sane and consensual.

Idiocy Patrick McDonagh 2008-01-01 In ancient Athens, "idiots" were those selfish citizens who dishonorably declined to participate in the life of the polis, and whose disavowal of the public interest was seen as poor taste and an indication of judgment. Over time, however, the term idiot has shifted from that philosophically uncomplicated definition to an ever-changing sociological signifier, encompassing a wide range of meanings and beliefs for those concerned with intellectual and cognitive disability. Idiocy: A Cultural History offers for the first time a analysis of the concept, drawing on cultural, sociological, scientific, and popular representations ranging from Wordsworth's "Idiot Boy" and Dickens' Barnaby Rudge to Down's "Ethnic classification of idiots." It tracks how our changing definition of idiocy intersects with demography, political movements, philosophical traditions, economic concerns, and the growth of the medical profession.

Chastity for Men in Relationships Diane Spencer 2017-12-08 The guide for male chastity - extended version since April, 2019 So your partner has talked to you about chastity and wants you to check it out? He said that he would like to wear a chastity belt or maybe already wears and wants to give you the keys for it and wants you to keep him in chastity? Or maybe you are a man and want to be held in chastity but don't know how to convince your girlfriend or wife? Congratulations: you've made the right decisions and found the right book. Today is your first step into a new life, a life of new found sexual activity, new desires, new passion and intimacy. That's why we wrote this book: It will help you for your future relationship in chastity, because we provide lots of background info to understand chastity and to convince your partner. From now on you will find out about chastity and how it can be the boring sex life you had beforehand. First of all, what's chastity? While it was something reserved for monks in the medieval, today it's something many are in dire need of. Permanent porn videos and images have made many men „fap" instead of looking for a great relationship. And strong relationships pass away because he can't or won't. That's where chastity comes in. If you think it's an unnatural concept, you're not alone. Please check out the first pages with Amazon's „look inside" function, to get a grasp of chastity for men. Read it and take your time. Many among us have had the problems we describe here, and they have only a failed relationship or marriage to show for. Therefore take your time to understand chastity as a new concept, a new way of life in modern times: in many times men will find chastity as a great way to get „back on track". Chastity helps for men with erection problems, it helps to re-center them and makes the passion come back. If you are female and your partner approached you with his wish for chastity, it's not

something unnatural. Neither does he want to turn you into a dominatrix, instead he wants to show you how much he really loves you. He wants to fire up your relationship. That's why you should read this book: it contains many tips from us and provides valuable background info. We are a couple who started keeping him in chastity 5 years ago, and it works better than ever. This book is both for women, who want to understand, and men, who want to learn more. We have divided this book in two parts: Part 1: Introduction - Chastity for men - what is it, why you should consider it, what kind of fears do men and women have, and why do men want to be held in chastity? We present you the advantages and disadvantages of chastity and how to convince your partner to keep you chaste, if you're a man. Part 2: Chastity in real life - we present you the different chastity devices - what are chastity belts, cock cages, what should you consider when buying one, and then we answer questions which will inevitably come up for chastity couples: What should I do, if he wants me to unlock him? How long should I let him wait? ...If you want to take chastity seriously, now's the moment. Check it out!

50 Ways to Improve Women's Lives National Council of Women's Organizations 2010-11-01 A powerful new call-to-action series was launched with the New York Times bestselling MoveOn's 50 Ways to Love Your Country. The second book in the series, 50 Ways to Improve Women's Lives, written by nationally recognized women, is poised to again become an instrument for change and reinvigorate a movement. 50 Ways to Improve Women's Lives parlays the collective expertise of the National Council of Women's Organizations' 200 member organizations — which include Planned Parenthood, NOW, League of Women Voters, Code Pink, the AAUW, the National Council of Negro Women, and the YWCA — and features 50 personal, inspiring essays with "Helping Ourselves" and "Call-to-Action" sidebars. Covering subjects as diverse as pay equity, reproductive health, child care, racism, and women in leadership, the book addresses topics that affect women (and all of us!) on a personal and political level, and provides readers with ways to move beyond old arguments and turn inspiration into action. Contributors include Madeline Albright, Gloria Steinem, Betty Friedan, Eleanor Smeal, Hillary Clinton,

Congresswomen Maloney, Slaughter, and Pelosi, and many others.
