COVID-19 Vaccines & Fetal Cell Lines - Department of Health

01-12-2021 · neither vaccine is completely free from any use of abortion-derived cell lines, in these two cases the use is very remote from the initial evil of the abortion...one may receive any of the clinically recommended vaccines in good conscience with the assurance that reception of such vaccines does not involve immoral cooperation in abortion.”

Preparing for Civil Unrest - FEMA

This research paper will use descriptive research to describe: a) ... events, concerts, block parties, abortion clinics, or political conventions.” Communities need to ... p. 12). The initial intent of these protests is to create political stability through the exercise of

free speech (Links et al., 2015, p. 5); however, FEMA (1993) ...

Reasons U.S. Women Have Abortions: Quantitative and Qualitative ...

The research into U.S. women’s reasons for having abortions has been limited. In a 1985 study of 500 women in Kansas, unreadiness to parent was the reason most often given for having an abortion, followed by lack of financial resources and absence of a partner. 3 In 1987, a survey of 1,900 women at large abortion providers across the coun-

Counselling and HIV/AIDS
