This is an InstaRead Summary of Heaven is For Real: A Little Boy's Astounding Story of His Trip to Heaven and Back by Todd Burpo, Sonja Burpo and Colton Burpo. Below is a preview of the earlier sections of the summary: Prologue: Angels at Arby's Todd explains that on July fourth, 2003, he and his family were en-route to see his wife's brother and his wife and their two-month old baby. The Burpo family was traveling from Imperial, Nebraska, a small farming town, to Sioux Falls, South Dakota. It is the first time his family has gone on a trip since the previous March, when they went to Greeley, Colorado, which ended up being a nightmare because one of the children almost died. Todd and his wife, Sonja, decide it's best to leave at 8 p.m., so Colton, their nearly four year old son, will sleep most of the way. Ninety

minutes into the trip, they stop for gas and food in North Platte, and Todd notices that they are near the Great Plains Regional Medical Center where they'd spent fifteen horrific days the previous March praying for Colton's life. He jokingly asks Colton if he wants to go back to the hospital, to which the child replies that they should send his sister, Cassie, instead. He also says that he remembers the hospital because that's where the angels sang to him. Intrigued by his comment, Todd asks what they sang to him. "Jesus Loves Me" and "The Battle of Jericho" are the songs Colton remembers with great clarity. Todd and Sonja exchange glances while Todd wonders if his son is remembering a dream. He asks his son what the angels looked like, and Colton says that one looked like his Grandpa, Dennis. He adds that the angels sang to him because Jesus asked them to, because he was scared. Colton says that he sat on Jesus' lap and also that he looked down and saw the doctors working on his body and his mom and dad in separate rooms both praying. Todd and Sonja look at each other in shock, wondering how their son could

know exactly where they were and what they were each doing while he was in surgery. Though he is a pastor, Todd has to wonder if what his son is telling him could possibly be true. Chapter One: The Crawl-A-See-Um It's March, 2003, and Todd has a board meeting in Greeley, Colorado. Since the previous August, his family has been dealing with months of injury and illnesses including a shattered leg, two surgeries and cancer. The string of bad luck and ill health has taken a toll on their bank account, even though they have an overhead garage door business and a small pastor's salary to rely on. By February things were starting to get better, so he and Sonja decided to turn his business trip into a family trip to help the family rejuvenate. Sonja had found a Butterfly Pavilion/Invertebrate Zoo located in Denver which she thought the kids would love, and they do...

Mom's Stairway To Heaven the Preacher's Son Brian K. Eastman 2021-01-04 Our journey takes us into the lives of an immigrant family from Canada who came to the United States looking for a better life, warmer climate for their children. From Canada, to across the border in Detroit, Michigan to Colorado and finally the Pacific Northwest. Step into the life of my Mom, the preacher's wife, find out if God treats her same in life as you. Learn how God worked in their lives and how you can get the blessings of the Lord poured

out upon your life. My mom's testimony of her life, she has seen every kind of obstacle in life that you can go through, as a preacher's wife, see how she handled it. You need to ask yourself these questions: Does God treat a Preacher's wife the same as everyone else? Would you give up everything you have to serve God? What choices do you make in your life? Good, bad, right or wrong? Do you know Him? - Or you don't? Does God hear everyone's prayers? - Is Heaven real? Do you pray and talk to Him? - Do you put God first in your life? Do you include Him in your problems you have? Are you going to be ready for that day? Do we accept God's salvation? - Or do we reject Him You need to ask yourself a question if you were to die today would you go to heaven? Mom showed us that we have choices to make in this life, some of them for good and some bad. Don't be a procrastinator and put off the choices you can face. Some choices have long-lasting effects on your health physically and mentally. If my mom would have gone to the doctor when she first started to have problems, she may have never got cancer. Instead she lets it go for a few years and then it turned into something real bad, CANCER. When your body talks to you, you should listen, go to the doctor. God uses all the doctors here on earth to help all of us while we are here. So make the right choices in your life. God treats us all the same in life; the difference is the relationship that you have with Christ. God rewarded my mom in a special way when she died. Never before have I seen death come this way in someone's life. Find out what's waiting for you when that time comes for you. We never plan on dying, but when you least expect it, it can happen in a moment to anyone. God loves us & cares for us no matter who we are and His gift of salvation is free for all of us. Don't miss out on seeing what God can do for you! Don't waste your time away. Ask Him!!!

Heaven Is for Real Is Todd Burpo? Sweetie Bee 2019-08-21 *Heaven Is for Real Is Todd Burpo?* By Sweetie Bee *The Truth Shall Set You Free!* The story of Todd Burpo's son and his visit to heaven is known far and wide. It has even

become a movie and an international sensation. Yet, the veracity of the story's details have not been fully examined, not until now. Did Todd Burpo use suggestive language to bring out a child's natural imagination? Those are questions for you to ask, as you read the author's book. The author's intention is not to shame the Burpo family in anyway. Instead, she seeks to bring light to a story, so that readers can make their own determination. The author, a well-versed and practicing Christian, uses her study of Forensic Psychology to demonstrate that even though the truth may seem more boring than fiction, it is still the truth. Heaven Is for Real Lilly Thumper 2014-03-28 *** New-1st Release-(April 2014)-I just want to say this is not the actual Heaven is for Real book-I made it look similar, so you would know the book is in reference. I will also share with you my own NDE (Near Death Experience) in detail. I only share this, because it has a whole lot to do with what I believe Colton Burpo actually experienced. These are Colton Burpo's own words from a live TV interview that was videotaped and archived, so there can be no denying its truth. You can go view the video for yourself so you don't have to take anyone else and their word for it. I will provide a link at the bottom of this page. Marilyn Hickey, asked Colton, "Did you see God when you were in Heaven (Hickey, 2011)?" Colton Burpo said, "Um, I did see God, but he pretty much looked like Gabriel he was just a larger version (Hickey, 2011)." Todd Burpo abruptly intervenes and Colton quickly looks to his dad and his dad (with what some may perceive as leading) says, "A much larger version...right (Hickey, 2011)?" 19:20 min into 28 min video. Colton says, "But, what Gabriel and God looked like is they had yellow hair that went down to their shoulders, um blue eyes, a really bright smile, a golden sash, white robes, but God's wings were the biggest. See those wings and you'd be amazed. Okay look at this, another interview where Colton says that he didn't even see God's face he was so big. So, did he see God's face, or didn't he see God's face? 10:20 into the video (Host): "You were meeting a lot of nice people, weren't you (Colton shakes his head) and then Jesus and God? Tell us about Jesus, tell us about God that you remember." Colton: "Well, with Jesus, he has a rough kind face...." (Host): "In the book, you don't spend a lot of time describing God, but

you simply said he is big”Colton: “Big”Host): “And that was your impression, I mean do you, did you remember any facial characteristics, or were you that close to him?”Colton: “Um, you really couldn't see his face since he was so big, but he was just this huge angel with massive wings.”Colton actually says that the paperback (trade) book, “Heaven is for Real” is his dad's story, his dad' book, but the Heaven is for Real kid's version is his story. The host of Praise the Lord on TBN was talking to Colton about the kid's book version of Heaven is for Real and how it has its own rackspace and display in the store.About 48:15 min into the interview (Praise the Lord Host): “This is kinda like your book, a chance for you to express. Talk to me about this book.”Colton, “Well, the kids book it's more for kids, it has a lot of pictures in there, but the trade book (looked towards his dad kinda matter-fact-attitude) was more my dad's story. Heaven is for Real Deluxe Edition Todd Burpo 2011-10-31 #1 New York Times best-seller with more than 11 million copies sold and Amazon’s #17

best-selling book of all time. Heaven Is for Real was the best-selling non-fiction book of 2011 as reported by Nielsen’s Bookscan, and was developed as a major motion picture by Sony in 2014. “Do you remember the hospital, Colton?” Sonja said. “Yes, mommy, I remember,” he said. “That’s where the angels sang to me.” When Colton Burpo made it through an emergency appendectomy, his family was overjoyed at his miraculous survival. What they weren’t expecting, though, was the story that emerged in the months that followed—a story as beautiful as it was extraordinary, detailing their little boy’s trip to heaven and back. Colton, not yet four years old, told his parents he left his body during the surgery—and authenticated that claim by describing exactly what his parents were doing in another part of the hospital while he was being operated on. He talked of visiting heaven and relayed stories told to him by people he met there whom he had never met in life, sharing events that happened even before he was born. He also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly, though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton tells of meeting long-departed family members. He describes Jesus, the angels, how “really, really big” God is, and how much God loves us. Retold by his father, but using Colton’s uniquely simple words, Heaven Is for Real offers a glimpse of the world that awaits us, where as Colton says, “Nobody is old and nobody wears glasses.” Heaven Is for Real will forever change the way you think of eternity, offering the chance to see, and believe, like a child. God Is for Real Todd Burpo 2017-09-26 *God is for Real*, a new book from author of the best-seller *Heaven is for Real*, addresses soul-searching questions about God, like What is God like? Why are things the way they are in spite of who God is? If Todd's first book, *Heaven Is for Real*, was about the then and there of heaven, *God is for Real* is about the here and now on earth: Why are there are so many hypocritical church people? Why do Christians make such a big deal about the cross? Why doesn't God seem to answer our biggest prayers? People are tired of pat answers offered up in churchy language explaining away their questions; we want the down-and-dirty truth. What bothers us about life and faith is real and gritty. We need a plain-spoken voice to offer God's answers to difficult struggles and painful doubts. Todd charges into these subjects with a fireman's courage, a small-town friend's vulnerability, and a local pastor's compassion. He helps articulate the questions people have, then gives them relevant biblical wisdom for taking their next steps in faith. God is ready to meet you! Are you ready to meet Him?
