**Do Not Become Alarmed** Maile Meloy 2017-07-06 When Liv and Nora decide to take their husbands and children on a holiday cruise, everyone is thrilled. The ship's comforts and possibilities seem infinite. But when they all go ashore in beautiful Central America, a series of minor mishaps lead the families further from the ship's safety. One minute the children are there, and the next they're gone. What follows is a heart-racing story told from the perspectives of the adults and the children, as the distraught parents - now turning on one another and blaming themselves - try to recover their children and their shattered lives.

*Liars and Saints* Maile Meloy 2003 Set in California, *Liars and Saints* follows four generations of the Catholic Santerre family from World War II to the present, as they navigate a succession of life-altering events -- through the submerged emotion of the fifties, the recklessness and excess of the sixties and seventies, and the reckonings of the eighties and nineties. In a family driven by jealousy and propriety as much as by love, an unspoken tradition of deceit is passed from generation to generation, and fiercely protected secrets gradually drive the Santerres apart. When tragedy shatters their precarious domestic lives, it takes astonishing courage and compassion to bring them back together.

**The After-Room** Maile Meloy 2017-02-07 Teenagers Janie and Benjamin continue to explore the secrets of the Pharmacopoeia while Benjamin risks everything to find a way to connect with his father.

**Een onberispelijke man** Jane Gardam 2017-03-23 Alles aan Edward Feathers is vlekkeloos - zijn garderobe, zijn manieren, zijn naam en faam als topadvocaat met een glansrijke carrière in Hongkong. Door en door een gentleman, die zijn bijnaam Old Filth - Failed In London, Try Hong Kong - geen eer aandoet. Maar zijn onberispelijkheid is bedrieglijk en misleidt vaak ook hemzelf. Na de dood van Betty, zijn geliefde echtgenote, komen met de herinneringen ook de twijfels. Wat in hun huwelijk was genegenheid, wat respect en wat onvoorwaardelijke liefde? Wat hebben zij voor elkaar verborgen willen houden? Waarom heeft zij zijn collega en tegenpool Terence Veneering altijd verdedigd, of tenminste nooit een kwaad woord over hem gesproken? Edward heeft moeite het beeld van Betty helder te krijgen. Met Een onberispelijke man valt een grote auteur te ontdekken, een meester van de lichte toon en de zinderende sfeer. Niet voor niets noemt de Engelse pers haar in één adem met Katherine Mansfield en Jane Austen.

**The Apprentices** Maile Meloy 2013-06-04 Two years have passed since Janie Scott last saw Benjamin Burrows, the mysterious apothecary's defiant son who stole her heart. On the other side of the world, Benjamin and his father are treating the sick and wounded in the war-torn jungles of Vietnam. But Benjamin has also been experimenting

with a magical new formula that allows him to communicate with Janie across the globe. When Benjamin discovers that she's in trouble, he calls on their friend Pip for help. The three friends are thrown into a desperate chase around the world to find one another, while unraveling the mystery of what threatens them all. Acclaimed author Maile Meloy seamlessly weaves together magic and adventure in this breathtaking sequel with stunning illustrations by Ian Schoenherr.

**Do Not Become Alarmed** Maile Meloy 2017-06-06 The moving and suspenseful new novel that Ann Patchett calls "smart and thrilling and impossible to put down... the book that every reader longs for." "This summer's undoubtable smash hit... an addictive, heart-palpitating story." —Marie Claire The sun is shining, the sea is blue, the children have disappeared. When Liv and Nora decide to take their husbands and children on a holiday cruise, everyone is thrilled. The adults are lulled by the ship's comfort and ease. The four children—ages six to eleven—love the nonstop buffet and their newfound independence. But when they all go ashore for an adventure in Central America, a series of minor misfortunes and miscalculations leads the families farther from the safety of the ship. One minute the children are there, and the next they're gone. The disintegration of the world the families knew—told from the perspectives of both the adults and the children—is both riveting and revealing. The parents, accustomed to security and control, turn on each other and blame themselves, while the seemingly helpless children discover resources they never knew they possessed. *Do Not Become Alarmed* is a story about the protective force of innocence and the limits of parental power, and an insightful look at privileged illusions of safety. Celebrated for her spare and moving fiction, Maile Meloy has written a gripping novel about how quickly what we count on can fall away, and the way a crisis shifts our perceptions of what matters most.

**Both Ways Is the Only Way I Want It** Maile Meloy 2009-07-09 One of the New York Times 10 Best Books of 2009-- now adapted into the feature film *Certain Women*, starring Kristen Stewart-- award-winning writer Maile Meloy's short stories explore complex lives in an austere landscape with the clear-sightedness that first endeared her to readers. Don't miss her new novel, *Do Not Become Alarmed*. Meloy's first return to short stories since her critically acclaimed debut, *Both Ways Is the Only Way I Want It* is an extraordinary new work from one of the most promising writers of the last decade. Eleven unforgettable new stories demonstrate the emotional power and the clean, assured style that have earned Meloy praise from critics and devotion from readers. Propelled by a terrific instinct for storytelling, and concerned with the convolutions of modern love and the importance of place, this collection is about the battlefields-and fields of victory-that exist in seemingly harmless spaces, in kitchens and living rooms and cars. Set mostly in the American West, the stories feature small-town lawyers, ranchers, doctors, parents, and children, and explore the moral quandaries of love, family, and friendship. A ranch hand falls for a recent law school graduate who appears unexpectedly- and reluctantly-in his remote Montana town. A young father opens his door to find his dead grandmother standing on the front step. Two women weigh love and

betrayal during an early snow. Throughout the book, Meloy examines the tensions between having and wanting, as her characters try to keep hold of opposing forces in their lives: innocence and experience, risk and stability, fidelity and desire. Knowing, sly, and bittersweet, *Both Ways Is the Only Way I Want It* confirms Maile Meloy's singular literary talent. Her lean, controlled prose, full of insight and unexpected poignancy, is the perfect complement to her powerfully moving storytelling.

**More Book Lust** Nancy Pearl 2009-09-29 The response to Nancy Pearl's surprise bestseller *Book Lust* was astounding: the Seattle librarian even became the model for the now-famous Librarian Action Figure. Readers everywhere welcomed Pearl's encyclopedic but discerning filter on books worth reading, and her Rule of 50 (give a book 50 pages before deciding whether to continue; but readers over 50 must read the same number of pages as their age) became a standard MO.

*Half in Love* Maile Meloy 2014-04-10 Selected for Richard & Judy's Summer Read, Maile Meloy's brilliant novel, *Liars and Saints*, was acclaimed by readers and reviewers alike. In deceptively straightforward writing, Meloy depicted the story of the Santerre family with remarkable insight and perception, creating 'an emotional resonance that lasts long after the last page' (Daily Mail). This same talent is again on display in these dazzling stories.

Whether Meloy is describing a soldier's kiss in wartime London, a best friend's funeral or a young girl's determination to hang on to her virginity, the result is startling, fresh and unforgettable.

**Oude zaken** Kate Atkinson 2019-06-12 "Oude zaken" van Kate Atkinson is een literaire thriller met privédetective

Jackson Brodie in de hoofdrol. "Hadden ze nog meer kunnen boffen? Een hittegolf midden in de schoolvakantie, precies waar hij thuishoorde. Elke ochtend was de zon al lang voor hen op, stak de draak met de dunne zomergordijnen die slap voor hun slaapkamerramen hingen." Privé-detective Jackson Brodie wordt aangesteld om onderzoek te doen naar drie schijnbaar niet verwante zaken. Hoe dieper hij graaft, hoe meer verrassende verbindingen en ontdekkingen bovenkomen. En onmerkbaar raakt hij helemaal verstrikt in het verdriet, de vreugde en het verlangen van zijn klanten. Een absoluut hoogtepunt van de moderne literaire thriller. Kate Atkinson groeide op in New York en studeerde Engelse literatuur. Later ging ze les geven en schreef ze voor vrouwenbladen. Ze won onder meer de Ian St. James Award.

Tot zijn onderzoek hem leert dat het kwaad overal is. Ook in hemzelf.'

*Culture Wars in British Literature* Tracy J. Prince 2012-09-07 The past century's culture wars that Britain has been consumed by, but that few North Americans seem aware of, have resulted in revised notions of Britishness and British literature. Yet literary anthologies remain anchored to an archaic Anglo-English interpretation of British literature. Conflicts have been played out over specific national vs. British identity (some residents prefer to describe themselves as being from Scotland, England, Wales, or Northern Ireland instead of Britain), in debates over immigration, race, ethnicity, class, and gender, and in arguments over British literature. These debates are strikingly detailed in such chapters as: "The Difficulty Defining 'Black British'," "British Jewish Writers" and "Xenophobia and the Booker Prize." Connections are also drawn between civil rights movements in the U.S. and UK. This generalist cultural study is a lively read and a fascinating glimpse into Britain's changing identity as reflected in 20th and 21st century British literature.

*Picnic at Hanging Rock* Joan Lindsay 2014-05-28 \*Now a six-part TV series starring Natalie Dormer, from Amazon Prime\* A 50th-anniversary edition of the landmark novel about three "gone girls" that inspired the acclaimed 1975 film, featuring a foreword by Maile Meloy, author of *Do Not Become Alarmed* It was a cloudless summer day in the year 1900. Everyone at Appleyard College for Young Ladies agreed it was just right for a picnic at Hanging Rock. After lunch, a group of three girls climbed into the blaze of the afternoon sun, pressing on through the scrub into the shadows of the secluded volcanic outcropping. Farther, higher, until at last they disappeared. They never returned. . . . Mysterious and subtly erotic, *Picnic at Hanging Rock* inspired the iconic 1975 film of the same name by Peter Weir. A beguiling landmark of Australian literature, it stands with Shirley Jackson's *We Have Always Lived in the Castle*, Daphne du Maurier's *Rebecca*, and Jeffrey Eugenides' *The Virgin Suicides* as a masterpiece of intrigue.

*The Polysyllabic Spree* Nick Hornby 2004 Shares selections from the author's column in "The Believer" that comment on literature he has found interesting, and features passages from the material discussed.

*Both Ways Is the Only Way I Want It* Maile Meloy 2010-03-04 In *The Hidden Ways*, Alistair Moffat traverses the lost paths of Scotland - its Roman roads tramped by armies, its warpaths and pilgrim routes, drove roads and rail roads, turnpikes and sea-roads - in a bid to understand how our history has left its mark upon our landscape. *The Richard & Judy Book Club Reader* Dr Helen Cousins 2013-05-28 In January 2004, daytime television presenters Richard Madeley and Judy Finnigan launched their book club and sparked debate about the way people in Britain, from the general reader to publishers to the literati, thought about books and reading. The *Richard & Judy Book Club Reader* brings together historians of the book, literature scholars, and specialists in media and cultural studies to examine the effect of the club on reading practices and the publishing and promotion of books. Beginning with an analysis of the book club's history and its ongoing development in relation to other reading groups worldwide including Oprah's, the editors consider issues of book marketing and genre. Further chapters explore the effects of the mass-broadcast celebrity book club on society, literature and its marketing, and popular culture. Contributors ask how readers discuss books, judge value and make choices. The collection addresses questions of authorship, authority and canon in texts connected by theme or genre including the postcolonial exotic, disability and representations of the body, food books, and domesticity. In addition, book club author Andrew Smith shares his experiences in a fascinating interview.

**Devotion** Maile Meloy 2015-04-28 From one of the most popular and acclaimed story writers of her generation, a single-volume short story from the author of 2017's *Do Not Become Alarmed*, a beautifully packaged palm-sized gift book. "That the yellow house was thrillingly affordable might have been a warning sign, if Eleanor had known how to read it. But she'd been desperate. She was sharing a room with her four-year-old daughter, Hattie, in her parents' house, and she had to get out." From the award-winning novelist and short story writer Maile Meloy, *Devotion: A Rat Story* is an exquisitely unsettling tale about a young single mother whose new home becomes a kind of nightmare she must resolve on her own. Eleanor is in such a rush to move away from her parents that she allows an imperious realtor to rush her to close on the too-good-to-be-true home without an inspection. Shortly after the house becomes legally hers—with every cent and all of her pride and future tied up in the property—the giant rats show themselves. In the yard, in the kitchen, on her daughter's bed. A walk around the block reveals a decrepit neighboring house where two elderly sisters are feeding and fostering thousands of unusual "pets." What has Eleanor done? What action can she possibly take now? In Meloy's characteristically clean, assured style, she captures the hopes and horrors of domestic life with an element of suspense that drives the reader feverishly to the end.

**The Complete Polysyllabic Spree** Nick Hornby 2007-06-28 In his monthly accounts of what he's read – along with what he may one day read – Nick Hornby brilliantly explores everything from the classic to the graphic novel, as well as poems, plays, sports books and other kinds of non-fiction. If he occasionally implores a biographer for brevity, or abandons a literary work in favour of an Arsenal match, then all is not lost. His writing, full of all the joy and surprise and despair that books bring him, reveals why we still read, even when there's football on TV, a pram in the hall or a good band playing at our local pub.

Wanneer er een betoverende afbeelding van een datsja op zijn bureau belandt, begint de kunstenaar portretten van zijn broer toe te voegen aan de illustraties die hij hoort te censureren. Dit subversieve besluit eechoot door in de daaropvolgende decennia en brengt de verhalen samen van een legendarische ballerina en haar kleindochter, een blinde kunstrestaurator, een gepensioneerde gangster, een weduwnaar die zijn vrouw voor het laatst zag in die datsja en een soldaat die gevangenzit in een put, met als enige bezit een cassettebandje dat een laatste boodschap van zijn familie bevat.
