Your First Year in CTE 2014 A career technical education (CTE) teacher is a special kind of educator. Many CTE teachers enter education through an alternate path, usually without a traditional education degree, making a substantial career change to enter the classroom. Not only do CTE teachers need to maintain currency within their technical field but they must also become quickly familiar with teaching pedagogy while simultaneously working in a brand new environment. A strong support system is essential and knowing where to turn for resources is equally as important. This book offers support for both new and veteran CTE teachers.
