'Bureaucracy' and 'Rationality' in Weber's Organization Theory: ...

It is the purpose of this paper to discuss some of these consequences, together with certain problems to which they lead, and to explore a possible solution to these problems through a small empirical study. The dual nature of Weber's approach is perhaps nowhere so apparent as in his use of ideal types in the analysis of administrative structure.

More for less: Five steps to strategic cost reduction - PwC

As we outline in this paper, making the right choices and moving the business forward requires a rethink of strategy, costs and, most important of all, how they align. The five steps we set out here focus on optimising rather than just cutting expenses to ensure your business can sustain competitive relevance and maximise its potential. 1.
