**The Role of Political Parties in the
European Union** Bjorn Lindberg
2013-09-13 At the national level,
political parties play an important
role in making representative
democracy work. They help to
aggregate and communicate policy
preferences, link decision-making
between different legislative bodies
and hold politicians accountable. In
the European Union, however, the
electoral connection is weak. This
casts doubt on the impact of partisan
politics at the European level. Are
political parties able to fulfil
their role as 'transmission belts'
ensuring political accountability and
consistent decision-making in the
European Union? To answer this
question we look at the micro
foundations of partisan politics in
the European Union. The contributions
in this volume all depart from a
common theoretical framework but use
a wide range of empirical data and
research designs, covering
qualitative process-tracing, elite
interview and large-N quantitative

analysis. Moreover, they examine
party effects in the electoral and
legislative arena. Finally, the
volume covers all European
institutions: the Commission, the
Council of the European Union, the
European Council and the European
Parliament. The findings enhance our
understanding of the workings of
decision-making in Brussels, add to
the debate on the EU democratic
deficit, and highlight the usefulness
of drawing upon insights from the
literature on Comparative Politics
when studying the European Union.
This book was published as a special
issue of the Journal of European
Public Policy.

*A European Security Architecture
after the Cold War* G. Aybet

2000-06-05 A European Security
Architecture after the Cold War
provides a critical account of the
re-projection and redefinition of

Western values and security institutions in the post-Coldwar era. This transformation is explored in three stages. The first stage covers the period 1990-91 and explains the preservation of a 'western security community' inherited from the Cold War, through a process of institutional reconstruction largely carried out on paper. The second stage from 1991 to 1992 sees the incorporation of a 'purpose' for these institutions as a framework for the implementation of collective security. The third stage explores the emerging questions of legitimacy surrounding the new tasks of these institutions as they become embroiled in the war in the former Yugoslavia. The precedents of legitimate intervention in upholding democracy, free markets and human rights in the post-coldwar era are examined from the perspectives of international law and Gramscian derived concepts of legitimacy, focusing on the acceptance of military power by civil society, and how intervention in these terms becomes a 'cultural practice'.

City Tourism Robert Maitland 2009
Capital city status attracts and drives tourism by enhancing a city's appeal to the tourist and its international standing. With a focus on city tourism themes, this book examines subjects including the identity of a city in a tourism context and practical matters such as promoting the city as a product. By examining tourist activities in national capitals, the book addresses issues in capital city development as tourist destinations with a broad, international approach and case studies on major tourist cities.

Danubia Simon Winder 2014-10-03
Op reis door het land van de Habsburgers met de grappigste reisleader ooit! Eeuwenlang was Europa in handen van het eigenaardige Huis Habsburg, dat

tot 1918 over grote delen van Centraal-Europa en Duitsland heerste en zich bemoeide met alles wat er in Europa gebeurde. Danubia is de verzamelnaam van de landen en gebieden rondom de rivier de Donau, de thuisbasis van de Habsburgers. Simon Winder reist met groot enthousiasme door dit uitgestrekte gebied met zijn uiteenlopende landschappen, steden en dorpen. Op zijn zeer persoonlijke manier deelt hij zijn kennis, verbazing en observatievermogen en legt uit hoe de complexe geschiedenis van deze dynastie in elkaar zit. En hij vertelt over de mensen en volken over wie zij heersten. Mensen die zich vaak opmerkelijk ondankbaar betoonden ten opzichte van hun excentrieke vorst in Wenen. 'Winder is een reisleader met een uitzonderlijke hoeveelheid kennis. Hij praat maar door en haalt nauwelijks adem. En je wilt hem zeggen: "Vergeet dat ademen en vertel verder!"' The New York Times book review Simon Winder werkt in de Engelse uitgeverwereld. Eerder schreef hij *The man who saved Britain* en het veelgeprezen *Germania*, de voorloper van *Danubia*. Over *Germania* 'Zeer onderhoudende studie over "Germania". Met vrolijke verbazing schrijft Simon Winder over Duitsland. Je hangt aan zijn lippen zoals vroeger aan die van je favoriete leraar geschiedenis.' Bart Funnekotter in NRC Handelsblad

Forest Quality Nigel Dudley 2012-04-27
Deforestation is frequently a topic of discussion in the environmental arena, but it is not just the number of trees that matters; the quality of the forest is also important. Even where the forest area is stable or increasing, there

are often rapid changes in its character. Natural forests are being replaced by plantations or by intensively managed forests. Around the world, forests are becoming younger and less diverse, in both species and structure; this has important impacts for biodiversity and also affects many human values. In this groundbreaking text, forest quality is discussed as a useful new concept in forest conservation and management. Three main assessment criteria are used: authenticity; environmental benefits; and social and economic benefits. The book describes a methodology and protocol for collecting and analysing data, and outlines in detail the approach required with each indicator. The authors advocate a landscape approach to assessment and demonstrate how assessment works through a series of case studies that show how this approach can be used in many ways to help forest conservation management. This hands-on manual is for professionals involved in forestry, conservation and resource management worldwide, and contains case study material from Europe, Asia, Africa and Latin America that demonstrates practical uses of the new 'landscape' approach to forest conservation.

AP* U.S. History Review and Study Guide Aligned With American Pageant

15th Edition Mill Hill Books

2015-10-07 Study guide and review for Advanced Placement United States History for the student serious about doing well in the course. It serves as a great resource either while going through the course, or at the end of the course as a review before the AP exam. This book is directly aligned with "American Pageant" (15th Edition) so the student will do as well as possible during the course. Included are detailed outlines. The outlines link directly to each chapter and to each chapter's sub-sections, thus making it great for a student taking U.S. History and using Bailey and Kennedy's "American Pageant" as his or her main text and who strives to excel in the course. Note: this is the ebook/epub/ipad version.

Using Peer Tutoring to Improve Reading Skills Keith Topping

2015-10-08 Using Peer Tutoring to Improve Reading Skills is a very practical guide, offering a straightforward framework and easy-to-implement strategies to help teachers help pupils progress in reading. A succinct introduction, it shows how schools can make positive use of differences between pupils and turn them into effective learning opportunities. Outlining the evidence base supporting peer tutoring approaches, it explores the components of the reading process and explains how peer tutoring in reading can be used with any method of teaching reading. Core topics covered include: Planning and implementing peer tutoring Getting your school on board How to structure effective interaction Training peer tutors and tutees Paired Reading - cross-ability approaches One Book for Two - fostering fluency, reading comprehension, and motivation Reading

in Pairs - cross and same-year tutoring Supporting struggling readers Involving families in peer tutoring Evaluation and feedback. Illustrated throughout with practical examples from diverse schools across Europe, Using Peer Tutoring to Improve Reading Skills is an essential introduction offering easy-to-use guidelines that will support teachers in primary and secondary schools as they enhance pupil motivation and improve reading standards.

De wraak van de geografie Robert S. Kaplan 2012-10-17 Na het grote succes van Moesson, komt Robert Kaplan nu met een nieuw visionair werk: De wraak van de geografie. Robert D. Kaplan bespreekt hoe mensen en ideeën weliswaar invloed hebben op de loop van gebeurtenissen, maar dat de geografie uiteindelijk bepalend is voor de loop van de geschiedenis. Hij biedt ons een geheel nieuwe blik op de Europese schuldencrisis, legt uit waarom Rusland zo paranoïde is, geeft een verklaring voor de onverbiddelijkheid van de Chinese macht, laat zien hoe India in de knel zit tussen haar directe burenen, bepleit waarom Iran de ware spil van EurAzië is en toont ten slotte aan

waarom de grenzen van Arabische landen als Syrië en Irak minder kunstmatig zijn dan ze lijken.

De regels van het ciderhuis John Irving 2020-02-18 Dr. Wilbur Larch is arts, verloskundige en stichter van een weeshuis in St. Cloud. Hij is ook aborteur en verslaafd aan ether. Voor de kinderen in St. Cloud's is hij een heilige: hij zorgt ervoor dat ze geadopteerd worden – een familie krijgen. Homer Wells is zijn favoriete wees. Toch hoopt dr. Larch dat Homer door niemand geadopteerd wordt. Hij heeft andere plannen met hem. Maar Homer wordt verliefd en verlaat het weeshuis. Hij jaagt een onmogelijke liefde na. Pas na de dood van Wilbur Larch weet Homer wat het doel is in zijn leven. 'John Irving is een van de beste verhalenvertellers van deze tijd.' – Time 'Een meesterstuk van vertelkunst.' – The Boston Globe 'Irvings romans zijn niet alleen pageturners. Zijn werk is doordrenkt van een diepe compassie met mensen en hun zwakheden.' – The Guardian

ASAP U.S. History: A Quick-Review Study Guide for the AP Exam The Princeton Review 2018-02-06 Looking for sample exams, practice questions, and test-taking strategies? Check out our extended, in-depth prep guide, *Cracking the AP U.S. History Exam!* LIKE CLASS NOTES—ONLY BETTER. The Princeton Review's ASAP U.S. History is designed to help you zero in on just the information you need to know to successfully grapple with the AP test. No questions, no drills: just review. Advanced Placement exams require students to have a firm grasp of content—you can't bluff or even logic your way to a 5. Like a set of class notes borrowed from the

smartest student in your grade, this book gives you exactly that. No tricks or crazy stratagems, no sample essays or practice sets: Just the facts, presented with lots of helpful visuals. Inside ASAP U.S. History, you'll find:

- Essential people, events, and dates for AP United States History—all explained clearly & concisely
- Diagrams, charts, and graphs for quick visual reference
- A three-pass icon system designed to help you prioritize learning what you MUST, SHOULD, and COULD know in the time you have available
- "Ask Yourself" questions to help identify areas where you might need extra attention
- A resource that's perfect for last-minute exam prep and for daily class work

Topics covered in ASAP U.S. History include:

- Native American & European interactions
- The Revolutionary War & the Constitution
- Conflict over slavery
- The Industrial Revolution
- 20th-century wars & social movements
- The early 21st century ... and more!

Book Review Digest 1989 Excerpts from and citations to reviews of more than 8,000 books each year, drawn from coverage of 109 publications. *Book Review Digest* provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language. Reviews of the following types of books are excluded: government publications, textbooks, and technical books in the sciences and law. Reviews of books on science for the general reader, however, are included. The reviews originate in a group of selected periodicals in the humanities, social sciences, and general science published in the United States, Canada, and Great Britain. - Publisher.

AP Achiever (Advanced Placement* Exam Preparation Guide) for European History (College Test Prep) Chris Freiler 2008-01-22 Designed to help

Advanced Placement students succeed in their studies and achieve a '5' on the AP Exam, AP Achiever for European History provides: A thorough explanation of course expectations, exam parameters, preparation suggestions, as well as comprehensive tips on writing essays for the document-based and free-response section of the Exam, all to help your students maximize studies and time. Each chapter includes a thorough content review and "Heads Up!" and "Sidebar" sections designed to connect important topics, clarify common misunderstandings, or add important information to assist in preparation for the exam. This book covers standard political, diplomatic, economic, and intellectual trends, but also makes a special effort to incorporate essential social and cultural history that is increasingly emphasized on the exam. Multiple-choice, document-based questions and free-response questions with detailed answers are included for each chapter. Two complete timed practice exams with detailed answers and sample essays help students gear up for your final test day. AP Achiever for European History may be used independently or in conjunction with any European History text. For the most benefit use in conjunction with McGraw-Hill's leading text, *History of the Modern World, 10th Edition*, by Palmer.

The Effective Teacher's Guide to Dyslexia and Other Specific Learning Difficulties Michael Farrell 2006 Specific learning difficulties such

as dyslexia, dyspraxia and dyscalculia affect at least one in ten children, causing poor performance in school and often leading to emotional problems and low self-esteem. These children need a high level of understanding, encouragement and support from their teacher in order to achieve their full potential in an inclusive environment. *The Effective Teachers' Guide to Dyslexia and other Specific Learning Difficulties* offers the ordinary classroom teacher practical advice, information and enlightenment that will help them to bridge the gap between theory and practice, and equip them with a range of strategies with which to tackle everyday classroom situations. This book expertly guides the reader through:

- The legal and policy context
- An explanation of terms and definitions
- Interventions and rationale
- Approaches related to different curriculum subjects
- Provision for dyscalculia and acalculia
- Taking account of recent policy changes, and with an emphasis on what works in the

classroom, this book will prove a practical, readable and invaluable resource for the busy practitioner. *Causation in European Tort Law* Marta Infantino 2017-12-28 Through a comprehensive analysis of sixteen European legal systems, based on an assessment of national answers to a factual questionnaire, *Causation in European Tort Law* sheds light on the operative rules applied in each jurisdiction to factual and legal causation problems. It highlights how legal systems' features impact on the practical role that causation is called upon to play, as well as the arguments of professional lawyers. Issues covered include the conditions under which a causal link can be established, rules on contribution and apportionment, the treatment of supervening, alternative and uncertain causes, the understanding of loss-of-a-chance cases, and the standard and the burden of proving causation. This is a book for scholars, students and legal professionals alike.
