The Project Management Answer Book Jeff

Furman PMP 2014-12-01 If it's essential to

project management... it's in here! The first

edition of *The Project Management Answer Book*

addressed all the key principles of project

management that every project manager needs to

know. With a new chapter on scrum agile,

updates throughout, and many new PMP® test

tips, this new edition builds on that solid

foundation. The structure of this update maps

closely to the PMBOK® Guide, Fifth Edition, and

is designed to assist anyone studying for the PMP® and other certification exams. Helpful sections cover:

- Networking and social media tips for PMs, including the best professional organizations, virtual groups, and podcast resources
- The formulas PMs need to know, plus a template to help certification candidates prepare and self-test for their exams
- Quick study sheet for the processes covered on the PMP® exam
- Key changes in PMBOK® Guide,

Fifth Edition, for readers familiar with earlier versions who want “the skinny” on the new version. PMs at every level will find real gold in the information nuggets provided in this new edition. Those new to project management will find the comprehensive coverage and the depth of the answers especially valuable, and will like the easy-to-read style and Q&A format. For experienced managers looking for new tools and skills to help them pass their PMP® or other certification exams, this is a must-have resource.
