*The Duel and Other Stories* Anton Pavlovich Chekhov 2020-04-14 It was eight o'clock in the morning-the time when the officers, the local officials, and the visitors usually took their morning dip in the sea after the hot, stifling night, and then went into the pavilion to drink tea or coffee. Ivan Andreitch Laevsky, a thin, fair young man of twenty-eight, wearing the cap of a clerk in the Ministry of Finance and with slippers on his feet, coming down to bathe, found a number of acquaintances on the beach, and among them his friend Samoylenko, the army doctor. With his big cropped head, short neck, his red face, his big nose, his shaggy black eyebrows and grey whiskers, his stout puffy figure and his hoarse military bass, this Samoylenko made on every newcomer the unpleasant impression of a gruff bully; but two or three days after making his acquaintance, one began to think his face extraordinarily good-natured, kind, and even handsome. In spite of his clumsiness and rough manner, he was a peaceable man, of infinite kindness and goodness of heart, always ready to be of use. He was on familiar terms with every one in the town, lent every one money, doctored every one, made matches, patched up quarrels, arranged picnics at which he cooked shashlik and an awfully good soup of grey mullets. He was always looking after other people's affairs and trying to interest some one on their behalf, and was always delighted about something. The general opinion about him was that he was without faults of character. He had only two weaknesses: he was ashamed of his own good nature, and tried to disguise it by a surly expression and an assumed gruffness; and he liked his assistants and his soldiers to call him "Your Excellency," although he was only a civil councillor. "Answer one question for me, Alexandr Daviditch," Laevsky began, when both he and Samoylenko were in the water up to their shoulders. "Suppose you had loved a woman and had been living with her for two or three years, and then left off caring for her, as one does, and began to feel that you had nothing in common with her. How would you behave in that case?" "It's very simple. 'You go where you please, madam'-and that would be the end of it." "It's easy to say that! But if she has nowhere to go? A woman with no friends or relations, without a farthing, who can't work . . ." "Well? Five hundred roubles down or an allowance of twenty-five roubles a month-and nothing more. It's very simple."

**The Steppe and Other Stories, 1887-91** Anton Chekhov 2005-01-27 This collection of Chekhov's finest early writing reveals a young writer mastering the art of the short story. 'The Steppe', which established his reputation, is the unforgettable tale of a boy's journey to a new school in Kiev, travelling through majestic landscapes towards an unknown destiny. 'Gusev' depicts an ocean voyage, where the sea takes on a terrifying, primeval power; 'The Kiss' portrays a shy soldier's failed romantic encounter; and in 'The Duel' two men's enmity ends in farce. Haunting and highly atmospheric, all the stories in this volume show a writer emerging from the shadow of his masters - Tolstoy, Turgenev and Gogol - and discovering his own voice. They also illustrate Chekhov's genius for evoking the natural world and exploring inner lives.

Illustrated About The Duel and Other Stories by Anton Chekhov This captivating collection of short stories, selected from works written during Chekhov's prolific period, displays those qualities for which the Russian author and playwright is famous: a natural aptitude for detail, dialogue, humor, and compassion. The six masterfully executed tales, reprinted here in the authoritative Constance Garnett translation, include "The Darling," a poignant piece supporting the claim that life has no meaning without love; "The Kiss," a fanciful confection recounting an officer's brief encounter with an unknown woman; as well as "Anna on the Neck," "The Man in a Case," "The Malefactor," and the title story. As noted by author John Barth, "Chekhov is a superb anatomist of the human heart and an utter master of his literary means. The details of scene and behavior, the emotions registered -- seldom bravura, typically muted and complex, often as surprising to the characters themselves as to the reader but always right -- move, astonish, and delight us line after line, story after story."

*The Duel and Other Stories* Anton Chekhov 2012-12-10 The canonised writers of the past have a tendency to assume a fixed expression in their readers' imaginations. Dostoevsky always appears in the same aura of morbidly enthralling hysteria; Proust in the same velvety atmosphere of hyper-attuned sensory receptiveness. To think of Tolstoy is to conjure, at once, the note of impassive grandeur, as of creation being set out in glittering ranks for inspection. Anton Chekhov, whose short career was as momentous as any of these, has his own distinct tone and manner, but the impression it leaves is curiously elusive, offering reticence and hesitation in place of "personality", and a series of moods rather than a discernible attitude to life, even the attitude of uncertainty. This elusiveness - a feature of both the life and the work - is a large part of what gives him his enduring fascination, as well as his striking modernity. In Chekhov literature seems to break its wand like Prospero, renouncing the magic of artifice, ceremony and idealisation, and facing us, for the first time, with a reflection of ourselves in our unadorned ordinariness as well as our unfathomable strangeness.

*The Duel and Other Stories: Large Print* Anton Chekhov 2018-08-13 The Duel and other stories: Large Print by Anton Chekhov was very much pleased with himself, and it seemed as though the whole world were looking at him with pleasure. Without turning his head, he looked to each side and thought that the boulevard was extremely well laid out; that the young cypress-trees, the eucalyptuses, and the ugly, anemic palm-trees were very handsome and would in time give abundant shade; that the Circassians were an honest and hospitable people. "It's strange that Laevsky does not like the Caucasus," he thought, "very strange." Five soldiers, carrying rifles, met him and saluted him. On the right side of the boulevard the wife of a local official was walking along the pavement with her son, a schoolboy. "Good-morning, Marya Konstantinovna," Samoylenko shouted to her with a pleasant smile. "Have you been to bathe? Ha, ha, ha! . . . My respects to Nikodim Alexandritch!" And he went on, still smiling pleasantly, but seeing an assistant of the military hospital coming towards him, he suddenly frowned, stopped him, and asked: We are delighted to publish this classic book as part of our extensive

*The Duel* Anton Chekhov 2021-06-08 A modern-day Hamlet, Laevsky enjoys blaming his issues on the corrupting influence of his time and civilization. Van Koren, on the other hand, believes strongly in the survival of the fittest. When the two of them become tangled in a game of infidelity, debts, and deception, it is not long until a physical duel ensues. A complex tale of transformation, human fragility and forgiveness, it was adapted to screen as a historical drama in 2010. A prolific writer of seven plays, a novel and hundreds of short stories, Anton Chekhov (1860-1904) is considered to be a master of the short story as a genre. His detailed and often miserable descriptions of everyday Russian life speak to his own experiences, and his characters drift between humour, melancholy, artistic ambition and death, no matter their storyline. In his plays, he tends to dramatize and explore social and existential problems, whilst his short stories focus more on the horror present in everyday life, and the mystery that cloaks monotony. The majority of his popular plays, such as 'Uncle Vanya', 'The Seagull', and 'A Hunting Accident' have been adapted into movies, giving fans of his literature a fresh avenue to explore his perspectives.

**The Duel And Other Stories** Anton Chekhov 2020-03 Anton Pavlovich Chekhov was a Russian playwright and short-story writer who is considered to be among the greatest writers of short fiction in history. When you want to read in both Russian and English, though, there's a great option: bilingual books! Reading bilingual books and inferring the vocabulary and grammar is a far superior method of language learning than traditional memorization. It is also much less painful.

The Duel Anton Chekhov 2020-03-03 Classic tales of changing lives and loves from one of Russia's greatest playwrights, a master of the modern short story. Morality, philosophy, and science merge in "The Duel," the classic tale of transformation in which educated Russian aristocrat Ivan Andreitch Laevsky falls in love with the married Nadya Fyodorovna and runs off to the Black Sea with her. As their passion wanes, Nadya turns to other men for comfort, while Ivan indulges in heavy drinking and gambling. When he receives word that Nadya's husband has died, freeing them to marry, Ivan hides it. He knows he cannot marry a woman he no longer loves but struggles with the idea of leaving Nadya penniless and alone. Soon Ivan's conundrum becomes the topic of conversation around a doctor's dinner table. When their discussion touches on evolution, one of the doctor's boarders—a zoologist—states that someone with Ivan's moral failings should not be allowed to reproduce. As events unfold, setting Ivan and the zoologist on a path to confrontation, the character of each man will be revealed—for better and for

worse. Other short stories collected in this volume include "Excellent People," "Mire," "Neighbours," "At Home," "Expensive Lessons," "The Princess," and "The Chemist's Wife."
