Negotiating the French

Pox in Early Modern Germany Claudia Stein

2016-12-05 This book explores the identity of the 'French disease' (alias the 'French pox' or 'Morbus Gallicus') in the German Imperial city of Augsburg between 1495 and 1630. Rejecting the imposition of modern conceptions of disease upon the past, it reveals how early modern medical theory facilitated enormous flexibility in defining disease, and how disease identification was a local matter, and one of constant negotiation and renegotiation. Drawing on a wealth of primary

source material this work combines concern with the conceptualisation of the disease with its practical application, and argues for the inseparability of both. It focuses on how theoretical understanding of the pox shaped the various therapeutic reactions, and vice versa. It exemplifies this in the specific socio-cultural context of sixteenth- and seventeenth-century Augsburg, through an investigation of the city's municipal and private pox hospitals. Combining medical, religious, economic, municipal and institutional history this book offers a fascinating insight into how early modern society came to terms with disease both in a practical and theoretical sense. This revised English

translation of Dr Stein's original German book adds new layers of understanding to a fascinating but complex subject.

Oeconomia ruralis et domestica, darin das gantz Ampt aller trewer Hauß-Vätter, Hauß-Mütter, beständiges und allgemeines Hauß-Buch, vom Haußhalten, Wein-Acker- Gärten-Blumen und Feld-Bau (etc.) Johann Coler 1672

De recepten van mijn

vader Jacky Durand

2020-04-09 Chef Henri

werkt al bijna zijn hele leven als kok en zijn

bistro Le Relais Fleuri is zeer geliefd vanwege de bijzondere gerechten die er worden

geserveerd. Henri's zoon Julien groeit op in het restaurant en wil als hij groot is niets liever dan in Le Relais Fleuri werken. Zijn vader wil daar niets van weten, hij zou graag zien dat zijn zoon gaat studeren en een makkelijker leven krijgt. Le Relais Fleuri zal na zijn pensioen moeten sluiten. Dan raakt Henri onverwacht ernstig ziek. Julien besluit toch een poging te doen om de bistro open te houden. Er is een probleem: chef Henri schreef zijn beroemde recepten op in een schrift dat nergens te vinden is. Julien gaat op zoek naar de recepten van zijn vader, maar kan niet vermoeden welke geheimen uit het verleden hij zal blootleggen. De recepten
