Az egész szótár a törvényes szavak betűrendes listája, meghatározásokkal. Ez az e-könyv egy könnyen érthető útmutató a jogi feltételekhez bárkinek bármikor.

**Negotiating the French Pox in Early Modern Germany** Claudia Stein 2016-12-05 This book explores the identity of the 'French disease' (alias the 'French pox' or 'Morbus Gallicus') in the German Imperial city of Augsburg between 1495 and 1630. Rejecting the imposition of modern conceptions of disease upon the past, it reveals how early modern medical theory facilitated enormous flexibility in defining disease, and how disease identification was a local matter, and one of constant negotiation and renegotiation. Drawing on a wealth of primary source material this work combines concern with the conceptualisation of the disease with its practical application, and argues for the inseparability of both. It focuses on how theoretical understanding of the pox shaped the various therapeutic reactions, and vice versa. It exemplifies this in the specific socio-cultural context of sixteenth- and seventeenth-century Augsburg, through an investigation of the city's municipal and private pox hospitals. Combining medical, religious, economic, municipal and institutional history this book offers a fascinating insight into how early modern society came to terms with disease both in a practical and theoretical sense. This revised English translation of Dr Stein's original German book adds new layers of understanding to a fascinating but complex subject.

**A Phraseological Dictionary of Commercial Correspondence in the English, German, French & Spanish Languages, with an Appendix Containing Lists of Commercial Abbreviations, Geographical Names, the Principal Articles of Commerce, &c** Charles Scholl 1891

**De kunst van het koken** Julia Child 2004

**De recepten van mijn vader** Jacky Durand 2020-04-09 Chef Henri werkt al bijna zijn hele leven als kok en zijn bistro Le Relais Fleuri is zeer geliefd vanwege de bijzondere gerechten die er worden geserveerd. Henri's zoon Julien groeit op in het restaurant en wil als hij groot is niets liever dan in Le Relais Fleuri werken. Zijn vader wil daar niets van weten, hij zou graag zien dat zijn zoon gaat studeren en een makkelijker leven krijgt. Le Relais Fleuri zal na zijn pensioen moeten sluiten. Dan raakt Henri onverwacht ernstig ziek. Julien besluit toch een poging te doen

om de bistro open te houden. Er is een probleem: chef Henri schreef zijn beroemde recepten op in een schrift dat nergens te vinden is. Julien gaat op zoek naar de recepten van zijn vader, maar kan niet vermoeden welke geheimen uit het verleden hij zal blootleggen. De recepten van mijn vader is een aangrijpende liefdesverklaring aan de twee belangrijkste dingen in het leven: eten en familie.
