with Italian Sausage and Italian Chicken Stew Guide to Planning

a Complete Italian Meal Using. With this book You don't need

fancy techniques, hard-to-find ingredients, or specialized tools to

create delicious Italian dishes. So, don't wait any longer... Scroll

up, buy it NOW and let your customers get addicted to this

amazing book!

**Mastering Stocks and Broths** Rachael Mamane 2017-06-20 2018

James Beard Foundation Book Award Finalist, "Single Subject"

Category "Top Ten Cookbook of 2017"—Booklist Stocks and

broths are the foundation of good cooking, yet information on

their use is often relegated to the introductions or appendices of

cookbooks. Until now there has not been a comprehensive

culinary guide to stocks in the canon, save for snippets here and

there. Hard to believe, since most passionate home cooks and

professional chefs know that using stocks and broths—both on

their own and as the base for a recipe—can turn a moderately

flavorful dish into a masterpiece. Mastering Stocks and Broths is

the comprehensive guide to culinary stocks and broths that

passionate home cooks and innovative chefs have all been waiting

for. Rachael Mamane, a self-taught cook and owner of small-scale

broth company Brooklyn Bouillon, is reminiscent of M. F. K.

Fisher, Patience Gray, and Julia Child. She takes us on a culinary

journey into the science behind fundamental stocks and the truth

about well-crafted bone broths, and offers over 100 complex and

unique recipes incorporating stocks as foundational ingredients.

Mastering Stocks and Broths includes a historical culinary

narrative about stocks in the classic French technique as well as

through the lens of other cultures around the world. Readers will

learn about the importance of quality sourcing, the practical and

health benefits of stocks and broths, and detailed methodology on

how to develop, store, and use them in a home kitchen. The

recipes place a playful emphasis on the value of zero waste,

turning spent bones, produce seconds, and leftover animal fats

into practical products to use around the home. Readers will turn

to this book when they find themselves wondering what to do

with the carcass of a store-bought roast chicken and they want to

learn how to make every inch of their vegetables go further.

Perhaps most important to remember: a good stock takes time.

This is part of the pleasure—making stocks is meditative and

meaningful, if you allow yourself the occasion. Building a stock

often happens in the background of most kitchens—a smell that

permeates a residence, a gentle warmth that radiates from the

kitchen. Readers will be inspired by Mamane's approach to truly

slow cookery and her effervescent love for food itself.

**The Healthy Italian Cookbook** Teela Myers 2020-08-24 Italy has

always been a country that loves good food. But the type of food

has changed considerably over time. While many people associate

Italian cuisine with tomatoes, tomatoes weren't a part of Italian

cooking until the discovery of the New World. That changed

everything. Of course, after the fall of the Roman Empire, Italy

split into many sections, and each section has its specialties. One

thing all Italian cooking has in common is fresh ingredients.

Mealtime is a joyful event, and food is meant to be savored,

especially with a glass of good wine. Spices are meant to

enhance, not overwhelm. Olive oil and vinegars should be of the

best quality to bring out the best in each ingredient. Pasta plays a

large role in Italian cooking, and this Italian Cookbook is filled

with easy, delicious pasta recipes. Show your family how much fun

mealtime can be.

**Een kleine geschiedenis van pasta** Luca Cesari 2021-06-30

Een kleine geschiedenis van pasta van culinair historicus Luca

Cesari is een verrassende combinatie van levendige culinair-

historische verhalen en onverwachte recepten van bekende

pastagerechten. Een kleine geschiedenis van pasta van

gerenommeerd culinair historicus Luca Cesari is een smaakvolle

geschiedenis van de Italiaanse keuken. Pasta is het nationale

gerecht van Italië en als er één gerecht is dat in geen enkel

Italiaans restaurant ter wereld mag ontbreken, is het pasta al

pomodoro. Wat is het verhaal achter deze klassieker? En hoe zit

het met die andere traditionele gerechten, zoals pasta alla

carbonara, all'amatriciana of de favorieten: lasagne en ragù alla

bolognese? In Een kleine geschiedenis van pasta belicht culinair

historicus Luca Cesari op verhalende wijze de

ontstaansgeschiedenis van de tien favoriete pastagerechten. Niet

alleen in Italië, maar wereldwijd. De schat aan prachtige verhalen

vult hij aan met verschillende recepten. Zowel de klassieke, de

populairste als de innovatiefste varianten van deze bekende

gerechten komen voorbij. Een kleine geschiedenis van pasta van

Luca Cesari is een verrassende combinatie van levendige culinair-

historische verhalen en onverwachte recepten van bekende

pastagerechten.

**Old World Italian** Mimi Thorisson 2020-09-15 Mimi explores the beautiful coasts and countrysides of Italy in this lavishly photographed cookbook featuring simple, authentic recipes inspired by the country's devoted producers and rich food heritage. "A tribute to the home cooking of real families across the country."—The Wall Street Journal NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY FOOD NETWORK Beloved for her gorgeous cookbooks *A Kitchen in France* and *French Country Cooking*, Mimi Thorisson, along with her lively family and smooth fox terriers in tow, immersed readers in the warmth of their convivial lives in rural France. In their newest cookbook, the Thorissons pause their lives in the idyllic French countryside to start a new adventure in Italy and satisfy their endless curiosity and passion for the magic of Italian cooking. *Old World Italian* captures their journey and the culinary treasures they discovered. From Tuscany to Umbria to Naples and more, Mimi dives into Italy's diverse regional cuisines and shares 100 recipes for authentic, classic dishes, enriched by conversations with devoted local food experts who share their timeworn techniques and stories. You'll indulge in dishes culled from across the country, such as plump agnolotti bathed in sage and butter from the north, the tomato-rich ragùs and pastas of the southwest, and the multifaceted, seafood-laden cuisine of Sicily. The mysteries of Italian food culture will unravel as you learn to execute a perfect Neapolitan-style pizza at home or make the most sublime yet elemental cacio e pepe. Full of local color, history, and culture, plus evocative, sumptuous photography shot by Mimi's husband, Oddur Thorisson, *Old World Italian* transports you to a seat at the family's table in Italy, where you may never want to leave.

**Rick Stein's Spain** Rick Stein 2011-10-31 'I've wanted to make a series in Spain for a long time. I love Spanish food, I've been going there since I was a young boy - but until quite recently I don't think people really took the food seriously. Thanks to a handful of really dedicated Spanish chefs and a growing enthusiasm for its rugged flavours, that has all begun to change. To me the underlying point of journeying to Spain would be to discover the 'duende' in the cooking. By that I mean a sense of soul, of authenticity. The word is normally used in flamenco but I think it could be equally applied to the art of Spanish cooking because to my mind, in really good food, there is a communication between the cook and diner that amounts to art.' Rick Stein In his beautifully designed and illustrated cookbook to accompany a major BBC2, 4-part series, Rick has selected over 140 recipes that capture the authentic taste of Spain today. Spain is a country that tantalises every sense with its colourful sights, evocative music, vibrant traditions and bold cookery. Spanish cooking has a rich history, with flavours reflecting a broad range of cultural influences. Rick samples his way through the specialties and hidden treats of each region, taking in the changing landscape from the mountainous northern regions through the Spanish plains to Mediterranean beaches. With over 100 Spanish recipes and location photographs, this is an essential cookbook for food-lovers as well as a stunning culinary guide to a diverse country.

*Italië* Onno Kleyn 2019-05-20 Zomaar een jaar in Toscane, midden tussen de olijfbomen en de cipressen, dat is waar Onno

Kleyns Italiaanse avonturen begonnen. Daar, in een piepklein middeleeuws dorp hing hij zijn klassieke-zangerslied aan de wilgen, daar koos hij voor het pad van het schrijven over eten en wijn. In dit boek mengt Onno Kleyn op zijn kenmerkend kruidige manier belevenissen met diepgravende informatie, verhaalt hij over gebruiken en achtergronden, over kooktechnieken en historie, in Toscane en de rest van de Italiaanse laars. En dan zijn er nog de meer dan honderdvijftig recepten om zelf te ervaren hoe authentiek Italië smaakt. Dit is een kookboek om te lezen, smakkend heerlijk, meeslepend lekker!

**Recipe and Craft Guide to Italy** Julia Harms 2012-09-30 Italy is a beautiful country full of artifacts from bygone eras.

Architecture, paintings, and sculptures from prehistoric times, from the Roman Empire, and from the Renaissance period can be seen in the biggest cities and the smallest villages. Visiting Italy is like immersing yourself in the history of the last 2,000 years or more in one of the most important countries in Europe. With the crafts and cooking projects in this book, you can learn about the different periods, the customs and life, the artwork, and the culinary traditions of this country. Through re-creating holiday crafts, carnival masks, and cooking traditional sweets and other dishes, get to know more about the riches of Bella Italia!

**Tomato Pie** Joanna Kelly 2018-12-01 In her richly textured chronicle, Joanna Kelly delivers a historic account of Frank Pepe and the pizza-centric street he made famous in New Haven, Connecticut. In this celebration of the life of America's pizza pioneer, she shares the rags to riches story of Frank Pepe, an illiterate immigrant from the Amalfi Coast in Italy. Using his mother's recipes, Pepe made his first pizza without mozzarella and called it tomato pie. In 1925, Pepe began selling his pies from a push cart on the streets of New Haven. In 1937, he mastered his culinary destiny when he opened Frank Pepe Pizzeria Napoletana on historic Wooster Street. The first pizzeria in Connecticut and one of the first in the United States, the award-winning Frank Pepe Pizzeria Napoletana has expanded into ten restaurants, from New York to Rhode Island.

**Intangible Cultural Heritage in International Law** Lucas Lixinski 2013-06-13 This book offers a comprehensive analysis of the legal issues around intangible cultural heritage (also known as traditional cultural expressions or folklore). It explores both institutional and substantive responses the law offers to the safeguarding of intangible heritage, relying heavily on critiques internal and external to the law. These external critiques primarily come from the disciplines of anthropology and heritage studies. Intangible cultural heritage is safeguarded on three different levels: international, regional, and national. At the international level, the foremost instrument is the specific UNESCO Convention for the Safeguarding of the Intangible Cultural Heritage (2003). At the regional level, initiatives are undertaken both in schemes of political and economic integration, a common thread being that intangible cultural heritage helps promote a common identity for the region, becoming thus a desirable aspect of the integration process. Domestically, responses range from strong constitutional forms of protection to rather weak policy initiatives aimed primarily at attracting foreign aid. Intangible heritage can also be safeguarded via substantive law, and, in this respect, the book looks at the potential and pitfalls of human rights law, intellectual property tools, and contractual approaches. It investigates how the law works and ought to work towards protecting communities, defined as those from where intangible cultural heritage stems, and to whom benefits of its exploitation must return. The book takes the critiques from anthropological and heritage studies into account in order to posit a re-shaped law, offering tools that can be valuable to both scholars and practitioners when understanding how to safeguard intangible heritage.
