## **English-Russian Learner's Dictionary (Arranged by PoS and Then by Themes, Beginner - Upper Intermediate II Levels)**

Multi Linguis 2021-03-06 Multi Linguis offers you a frequency-thematic learner's dictionary of the Russian language. It includes up to 9000 essential words and phrases belonging to the levels from Beginner to Upper Intermediate II (A1 - B2.2 CEFR). The entries are divided into 150 vocabulary themes as well as 6 learning steps. They are arranged by parts of speech and then by themes, not by the alphabet. The book is intended to help you revise this language by another way but can also be applied for translating or entertaining. You may use it separately or as an additional tool for any suited educational course. The Multi Linguis Project is based on the Wiktionary corpus and created by one person. The database of the Learner's Dictionaries includes 9 000 lemmas (words and phrases), their translations in many languages as well as transcriptions, transliterations and grammar information. All these lemmas are divided into 6 learning steps of

1500 entries each and also 150 vocabulary themes grouped in 30 super themes. They can be arranged by themes, steps, parts of speech or keywords, but never by the alphabet. Different types of dictionaries are offered for the same language. They are designed in an original way to be convenient and efficient. All of them are available in epub format. Multi Linguis is presently able to publish such books for more than 70 languages. It's planned to improve them and increase their number. You can find more dictionaries in this store.

Atlas of Prejudice Yanko Tsvetkov 2016-11-10 More than a hundred stereotype maps glazed with exquisite human prejudice, especially collected for you by Yanko Tsvetkov, author of the viral Mapping Stereotypes project. Satire and cartography rarely come in a single package but in the Atlas of Prejudice they successfully blend in a work of art that is both funny and thought-provoking. A reliable weapon against bigots of all kinds, it serves as an inexhaustible source of much needed argumentation and—occasionally—as a nice slab of paper that can be used to

smack them across the face whenever reasoning becomes utterly impossible. This second edition packs the most extensive collection of Tsvetkov's maps to date in a single book suitable for all ages, genders, and races.

The Pall Mall Budget 1877

*The Soft Power of the Russian Language* Arto Mustajoki 2019-06-12 Exploring Russian as a pluricentric language, this book provides a panoramic view of its use within and outside the nation and discusses the connections between language, politics, ideologies, and cultural contacts. Russian is widely used across the former Soviet republics and in the diaspora, but speakers outside Russia deviate from the metropolis in their use of the

language and their attitudes towards it. Using country case studies from across the former Soviet Union and beyond, the contributors analyze the unifying role of the Russian language for developing transnational connections and show its value in the knowledge economy. They demonstrate that centrifugal developments of Russian and its pluricentricity are grounded in the language and education policies of their host countries, as well as the goals and functions of cultural institutions, such as schools, media, travel agencies, and others created by émigrés for their co-ethnics. This book also reveals the tensions between Russia's attempts to homogenize the 'Russian world' and the divergence of regional versions of Russian reflecting cultural hybridity of the diaspora. Interdisciplinary in its approach, this book will prove useful to researchers of Russian and post-Soviet politics, Russian studies, Russian language and culture, linguistics, and immigration studies. Those studying multilingualism and heritage language teaching may also find it interesting.

**Russian Cookbook** Grizzly Publishing 2019-07-08 A cookbook on traditional Russian cuisine that outlines recipes not to be read as a pastime but to be followed in the kitchen with ease and without confusion - that is exactly what this cookbook is all about. You may have had doubts or an initial level interest in the food culture of Russia; perhaps you never got around to digging a little deeper into the recipes and ingredients that are most widely used in Russian cooking. Well, fret not! This cookbook is here as your knight in shining armor. Apart from shedding light on the foods that have been indulged in throughout the ages and history of this land, this book also helps you understand how everything that looks daunting to try out - is actually not. In this book, you will get access to authentic recipes for: The world famous beef stroganoff Authentic Russian soups like Borscht Interesting desserts options like Chak Chak And some wide variety of authentic Russian breakfast, salads and soup recipes. Every

single Russian recipe you have ever heard of but found the very concept of to be intimidating is, in fact, something you could just waltz into your kitchen and whip it up with ease, glee, and a tempting aroma wafting through your home. So what are you waiting for? Click on the buy now button right now and buy your copy today!

**Russia Resurrected** Kathryn E. Stoner 2020-09-01 An assessment of Russia that suggests that we should look beyond traditional means of power to understand its strength and capacity to disrupt international politics. Too often, we are told that Russia plays a weak hand well. But, perhaps the nation's cards are better than we know. Russia ranks significantly behind the US and China by traditional measures of power: GDP, population size and health, and military might. Yet 25 years removed from its mid-1990s nadir following the collapse of the USSR, Russia has become a supremely disruptive force in world politics. Kathryn E. Stoner assesses the resurrection of Russia and argues that we should look beyond traditional means of power to assess its strength in global affairs. Taking into account how Russian domestic politics under Vladimir Putin influence its foreign policy, Stoner explains how Russia has battled its way back to international prominence. From Russia's seizure of the Crimea from Ukraine to its military support for the Assad regime in Syria, the country has reasserted itself as a major global power. Stoner examines these developments and more in tackling the big questions about Russia's turnaround and global future. Stoner marshals data on Russia's political, economic, and social development and uncovers key insights from its domestic politics. Russian people are wealthier than the Chinese, debt is low, and fiscal policy is good despite sanctions and the volatile global economy. Vladimir Putin's autocratic regime faces virtually no organized domestic opposition. Yet, mindful of maintaining control at home, Russia under Putin also uses its varied power capacities to extend its influence abroad. While we often

underestimate Russia's global influence, the consequences are evident in the disruption of politics in the US, Syria, and Venezuela, to name a few. *Russia Resurrected* is an eye-opening reassessment of the country, identifying the actual sources of its power in international politics and why it has been able to redefine the post-Cold War global order.

23000+ Dutch - Russian Russian - Dutch Vocabulary Gilad Soffer 23000+ Dutch - Russian Russian - Dutch Vocabulary - is a list of more than 23000 words translated from Dutch to Russian, as well as translated from Russian to Dutch. *Congressional Record* United States. Congress 1963

*From Kansas Wheat Fields to Alaska Tundra* Naomi Gaede-Penner 2011-07 What is the prescription for finding home in Alaska? Take one young Mennonite girl and transplant her from

the flatland prairies of Kansas. Give her village potlatches, school in a Quonset hut, the fragrance of wood smoke, Native friends, a doctor for a father who creates hunting tales and medical adventures with a bush plane, a mother who makes the tastiest moose roasts and has the grit to be a homesteader, and throw in a batch of siblings. Weave into her journey the perspectives of her family members and have them face the lack of conveniences, isolation from extended family, freezing temperatures, and unknown hardships. Mix all these together with an attitude of humor, ingenuity, optimism, and you'll get a sense of adventure! 'We come to Alaska for different reasons—job, love, adventure, a new start—or because we're born here. We stay because we find what we're looking for in short: home. Home is a sense of fitting in, a feeling rather than a structure of wood and shingles. The Gaede family had many structures to live in, but it took the hard work and sweat equity of the homestead before they found home. Belonging is the theme of Naomi Gaede-Penner's book *Finding Home in Alaska* in her *Prescription for Adventure* series. This book takes a look at the Alaska adventures of the Gaede clan from the points of view of Ruby Gaede and the kids: Naomi, Ruth, Mark, and Mishal.' Fairbanks News-Miner Naomi Penner is a writer, educator, and speaker with a background in English education and a master's degree in counseling. She believes everyone has a story to tell and encourages each person to find a medium to express, preserve, and pass along that story. Not only does she write about adventure, she lives it. Check her website for information on new writing projects, promotional events, reading guides, homeschooling materials, and a glimpse of her frequent outdoor adventures: [www.prescriptionforadventure.com](http://www.prescriptionforadventure.com). De Cock en een recept voor moord A.C. Baantjer 2009-10-31 De Cock is flink uit zijn humeur: zijn vrouw is ziek en krijgt volgens hem verkeerde medicijnen. Vledder is het dichtsbijzijnde, ondankbare slachtoffer, want gezamenlijk zijn ze op weg naar het modehuis Verbruggen, alwaar ze de directeur vaan de tand willen

voelen in een smaadzaak. Daar aanehomen treffen ze de heer Verbruggen aan in zijn stoel, levenloos en met een receptenbriefje op zijn revers gespeld. Het briefje bevat een cryptische tekst en biedt op het eerste gezicht weinig aanknopingspunten. De Cock en Vledder zijn compleet verrast wanneer plotseling een aantrekkelijke vrouw de kamer binnenkomt, de dode man een klap in het gezicht geeft en hem begint uit te schelden. De Cock reageert geschokt en begrijpt niets van haar gedrag. 'Vrouwen, het blijven voor mij mysterieuze wezens,' mompelt de oude rechercheur, en hij gaat op onderzoek uit. Al gauw blijkt dat de directeur minder geliefd was dan aangenomen mocht worden. De verhoudingen binnen het modehuis komen nog meer op scherp te staan als ook de mededirecteur dood wordt aangetroffen. Eveneens gewurgd en met een receptenbriefje op het revers. Tijd voor De Cock met ceeooceekaa om zijn troeven uit te spelen.....

**Rendez-vous in de Russian tearooms** Paul Willetts 2015-09-14 Londen, eind jaren dertig. Tijdens de onheilspellende stilte voor de Blitz vindt hier een van de belangrijkste spionageoperaties van de Tweede Wereldoorlog plaats, die evenwel nauwelijks bekendheid kreeg. Tyler Kent is een hoffelijke, jonge Amerikaanse coderingsexpert. Hij is ook een dwangmatige vrouwenjager - en een sovjetspion. Na zijn stationering in Londen komt hij al snel in aanvaring met de man die de inspiratiebron zou worden voor 'M' van James Bond: Maxwell Knight, een exentrieke Brit, net aangesteld om de ultrageheime nieuwe contraspionageactiviteiten van MI5 te gaan leiden. Via zijn werk voor de Amerikaanse ambassade ontdekt Kent dat president Roosevelt gecodeerde telegrammen uitwisselt met Winston Churchill. Met de bedoeling Roosevelt ten val te brengen geeft hij kopieën van die telegrammen aan een groep nazispionnen die wordt geleid door zijn vriendin, Anna Wolkoff, een elegante Russische emigrante, die als couturier de stijlvolste vrouwen van Londen kleedt. Op dat moment besluit Knight te infiltreren in het

glamorous groepje samenzweerders, die regelmatig bijeenkomt in een chic restaurant in South Kensington, The Russian Tearooms. Tegen de achtergrond van oefeningen voor luchtaanvallen, verduisterde straten en speculaties over de dreigende Duitse aanval op Groot-Brittannië ontrafelt Willetts het duistere kat-en-muisspel dat volgt.

Mennonite Foods & Folkways from South Russia Norma Jost Voth 1990 Looks at the history and culture of the Russian Mennonites, and shares reminiscences and traditional recipes

*The Italian Army and the First World War* John Gooch 2014-06-19 A major new account of the role and performance of the Italian army in the First World War. Setting military events in a broad context, Gooch explores pre-war Italian military culture, and reveals how an army with a reputation for failure fought a challenging war in appalling conditions - and won.

Eurovision! Chris West 2017-04-20 An entertaining look at the changing face of the Eurovision Song Contest and the political and cultural influences behind its kitsch and glitzy façade. Do you think the world of the Eurovision Song Contest, with its crazy

props, even crazier dancers, and crazier still songs has nothing to do with serious European politics? Think again. The contest has been a mirror for cultural, social, and political developments in Europe ever since its inauguration, when an audience in dinner jackets and ball gowns politely applauded each song. It has been a voice of rebellion across the Iron Curtain, an inspiration for new European nations in the 1990s and 2000s, the voice of liberation for both sexual and regional minorities. It even once triggered a national revolution. Eurovision! charts both the history of Europe and the history of the Eurovision Song Contest over the last six decades, and shows how seamlessly they interlink — and what an amazing journey it has been.

American Visions of the Netherlands East Indies/Indonesia

Frances Gouda 2002 A revealing reassessment of the American government's position towards Indonesia's struggle for independence.

*A Taste of Russia* Darra Goldstein 1999 A definitive modern cookbook on Russian cuisine, "A Taste of Russia" layers superbly researched recipes with informative essays on the dishes' rich historical and cultural context. With over 200 recipes on everything from borsch to blini, from Salmon Coulbiac to Beef Stew, from Marinated Mushrooms to Black Bread, Goldstein shows off the best that Russian cooking has to offer.

*Struggling Russia* 1919

**Performing the 'New' Europe** K. Fricker 2013-05-13 This fascinating and lively volume makes the case that the Eurovision Song Contest is an arena for European identification in which both national solidarity and participation in a European identity are confirmed, and a site where cultural struggles over the meanings, frontiers and limits of Europe are enacted.

**The Independent** Leonard Bacon 1905
